The ancient, archaeological city of Petra is located in Jordan, Western Asia. This magnificent city was carved into the

rose-red cliffs of the region over 2,000 years ago. In its heyday, Petra controlled international trade routes that linked China, India, and Southern Arabia with the wealthy Mediterranean markets. Rediscovered in 1812, Petra's unique rock carving saw it appointed as one of the New 7 Wonders of the World and it now has thousands of visitors each year. "Petra is the most amazing place I've ever been to. I was lost for words when I saw it," said John Leigh, a tourist.
